

We are hiring!

Are you ready to take your career to the next level in the medical device industry? Teleon is an international fast-growing, dynamic company that strives for better vision for patients every day. We are looking for you. Innovation, customer proximity and flexibility are the hallmarks of Teleon Surgical and are part of our corporate culture. As the trusted partner of ophthalmic surgeons, we distribute innovative high-tech products for intraocular surgery.

Regulatory Affairs Manager (f/m/d)

Location: Berlin

Your role

As part of our Regulatory Affairs team, you will be responsible for conducting and maintaining global registrations for our products (EU class IIb-implants). You will contribute to the preparation of technical documentation and prepare registration dossiers. You will also inventory and monitor compliance with laws, regulations and guidelines. You will cooperate with the Quality Affairs, Clinical Affairs, R&D and Engineering departments. You will be proactive, thinking along with the organization and proposing improvements to Regulatory Affairs.

Your profile

You stand for compliance. Your analytical skills ensure that products are registered correctly, and that legislation and regulations are complied with. You have an eye for quality and detail and enjoy working on several projects at the same time. Do you also have at least three years of proven experience with registrations of medical devices, HBO working and thinking level, and do you master the English language, spoken and written? Then you are the perfect addition to our team! If you have other qualities that may be applicable, we would love to discuss them with you.

What we offer

At Teleon, we value development. Not only of our innovative products but also of our employees. We are proud to offer all our employees the opportunity to grow and develop further as professionals. This is one of the many reasons why so many of our employees enjoy working here and are building long and successful careers with us.

Why work at Teleon?

- Permanent employment contract in a future-proof company
- Varied and responsible position in an innovative industry
- Flexible working hours and option for mobile working
- 30 days of vacation
- Individual internal and external training opportunities
- Attractive social benefits such as capital-forming benefits, subsidized company pension scheme, Deutschland-Ticket
- Working in a motivated, collegial team
- Flat hierarchies and short decision-making processes

The organization

Teleon Surgical B.V. is a dynamic, innovative company specializing in state-of-the-art Intraocular Lenses and accessories for eye surgery. We have a dedicated team of 170 international professionals working at our three locations in Spankeren (near Arnhem), Berlin and Leverkusen. Our long experience of over 30 years in the intraocular lens industry, coupled with our own in-house R&D division and state-of-the-art production facility in Spankeren, makes us a leading player in the development of technological solutions for eye surgery.
